{
  "synastry_guide": {
    "title": "How to read a synastry chart: Introduction to relationship compatibility",
    "overview": {
      "definition": "A synastry chart is one of astrology's most powerful tools for understanding how two people affect each other. It overlays one chart onto another to explore relational chemistry, compatibility, and karmic themes.",
      "purpose": "Reveals why you're drawn to someone, what triggers you, and whether your connection nurtures growth or recreates past wounds.",
      "applications": [
        "Romantic relationships",
        "Friendships",
        "Family dynamics",
        "Business partnerships"
      ],
      "key_insight": "It helps you name the patterns you keep repeating and understand whether they come from connection, codependency, or karma."
    },
    "how_to_pull_synastry_chart": {
      "requirements": [
        "Date of birth for both people",
        "Time of birth for both people",
        "Location of birth for both people"
      ],
      "recommended_site": "http://www.astro.com",
      "steps": [
        "Enter date, time, and location for both partners",
        "Pull their respective birth charts",
        "Go to 'extended charts'",
        "Select 'synastry with house overlays'"
      ],
      "without_time_of_birth": {
        "step_1": "Pull partner's chart at 00:01am and 11:59pm",
        "step_2": "Note the Moon's range to see if it changes signs",
        "step_3": "Possibly refine time of birth based on personality traits",
        "step_4": "Pull synastry chart without house overlays - you'll see where their planets fall in your chart, but not the reverse"
      }
    },
    "interpretation_steps": {
      "step_1": {
        "name": "Understanding each birth chart separately",
        "description": "Before diving into comparison, you must understand the birth chart of each person",

```

```
"key_questions": [
  "What emotional needs do they have?",
  "How do they express love?",
  "What kind of relationships do they tend to attract?",
  "What do they personally struggle with: Trust? Insecurity? Impulsivity?"
],
"importance": [
  "A difficult synastry can still serve your growth, depending on your natal blueprint",
  "Great synastry doesn't equal emotional health—you can feel magnetic chemistry with someone completely emotionally unavailable",
  "Zodiac sign incompatibility doesn't always hold up",
  "Not everyone is cut out for the same type of relationship",
  "Someone with an easy-flowing natal chart may run away from a dramatic relationship",
  "Someone with challenging aspects in their own natal chart tend to be used to conflicts"
],
"warnings": [
  "Not all squares are equal. Saturn square Moon in synastry is always difficult. Mars square Venus is less difficult.",
  "If there are hard aspects from outer planets, ensure this is a healthy relationship and not toxic",
  "Be mindful of strong Pluto aspects like Pluto-Mars in synastry"
]
},
"step_2": {
  "name": "The big picture of the synastry",
  "description": "Zoom out and look at the overall patterns",
  "what_to_look_for": [
    "What's the most aspected planet? (e.g., Mars = hot but possibly conflict; Moon = emotionally attuned)",
    "Are any planets unaspected or isolated? (shows what may be lacking)",
    "Does one chart dominate in fire, earth, air, or water? Any glaring imbalances?",
    "Are there similar patterns? (e.g., both partners have Moon-Neptune aspects)"
  ],
  "key_areas": {
    "emotional_visibility": "If one person's Moon receives no aspects, they may feel emotionally unseen",
    "karmic_themes": "If one partner's Saturn is heavily involved, themes of restriction, duty, or karmic lessons may emerge",
    "chemistry": "Pay attention to Venus and Mars aspects",
    "compatibility": "Look at Sun/Moon aspects for emotional core compatibility"
  }
},
```

```
"step_3": {
  "name": "Interpreting the aspects between planets",
  "description": "Inter-aspects refer to the dynamic connections when one person's
planet makes an aspect to another person's planet",
  "key_concept": "The planet of Person A influences the function of the planet of
Person B",
  "planet_keywords": {
    "Sun": {
      "affects": "Identity, ego, willpower",
      "keyword": "Shine"
    },
    "Moon": {
      "affects": "Emotions, instincts, needs",
      "keyword": "Feel"
    },
    "Mercury": {
      "affects": "Communication, thoughts, logic",
      "keyword": "Think"
    },
    "Venus": {
      "affects": "Love, beauty, values, affection",
      "keyword": "Value"
    },
    "Mars": {
      "affects": "Desire, anger, sex, action",
      "keyword": "Pursue"
    },
    "Jupiter": {
      "affects": "Growth, belief, expansion",
      "keyword": "Trust"
    },
    "Saturn": {
      "affects": "Authority, structure, fear",
      "keyword": "Restrict"
    },
    "Uranus": {
      "affects": "Change, freedom, disruption",
      "keyword": "Shock"
    },
    "Neptune": {
      "affects": "Illusion, dreams, ideals",
      "keyword": "Dissolve"
    },
    "Pluto": {
      "affects": "Power, transformation, obsession",
      "keyword": "Expose"
    }
  }
}
```

```
    },
    "Chiron": {
      "affects": "Wounds, healing, sensitivity",
      "keyword": "Wound or Heal"
    }
  },
  "aspect_keywords": {
    "conjunction": "Merge",
    "sextile": "Encourage",
    "trine": "Flow",
    "square": "Challenge",
    "opposition": "Polarize"
  },
  "examples": [
    "If your Mars aspects someone's Venus, your desire awakens their sense of attraction",
    "If your Saturn aspects their Moon, your boundaries, fears, or commitment style affect their emotional world"
  ]
},
"step_4": {
  "name": "Look for double whammies",
  "description": "A double aspect where energies go both ways, indicating a pattern",
  "example": "Your Mars trine their Pluto, and their Mars conjunct your Pluto"
},
"step_5": {
  "name": "House Overlays",
  "description": "Shows which area of life your partner activates in you and vice versa",
  "key_concepts": {
    "your_planets_in_their_houses": "How you impact them",
    "their_planets_in_your_houses": "How they impact you"
  },
  "house_meanings": {
    "1st_house": "You see them as attractive or familiar. Chemistry is instant. You feel 'seen.'",
    "2nd_house": "They influence your values, money, and self-worth—for better or worse",
    "3rd_house": "A mental spark. They stimulate your mind, but the connection may stay intellectual",
    "4th_house": "Deep emotional safety or triggering. They touch your roots, your past, your inner child",
    "5th_house": "Attraction, passion, flirting. They make you feel alive. Sex and creativity flow",
    "6th_house": "Practical love or power imbalance. They may feel helpful or
```

```
controlling",
    "7th_house": "Classic partnership energy. You may see them as 'the one.'
There's projection here",
    "8th_house": "Deep karmic ties, sexual obsession, shadow work. Not for the
faint of heart",
    "9th_house": "They expand your worldview, beliefs, or inspire you to grow",
    "10th_house": "You admire them or feel judged by them. Public image is
involved",
    "11th_house": "Friendship, shared dreams, community",
    "12th_house": "Psychic bond or total confusion. Feels fated, spiritual, or
lost in illusion"
},
    "importance": "House overlays explain why someone feels important to you, even
when the relationship doesn't make logical sense. They show what part of your life
they're woven into."
},
    "step_6": {
        "name": "Look at the composite chart",
        "description": "If synastry is confusing, the composite chart often brings
clarity",
        "key_difference": {
            "synastry": "How you affect each other",
            "composite": "What the relationship feels like when you're together"
        },
        "calculation": "Mathematical midpoints between each person's planetary
positions",
        "represents": "The relationship itself as a third entity, a symbolic 'child' of
both charts",
        "useful_for": "Long-term relationships or relationships with history. Reveals
purpose, core dynamic, and shared experience",
        "key_placements": {
            "composite_sun": "Core identity of the relationship: why it exists and what
it's here to achieve",
            "composite_moon": "Emotional rhythm and security the relationship offers",
            "composite_venus_mars": "Romantic and sexual dynamic",
            "composite_saturn": "Whether the relationship has staying power or feels heavy
and burdened. Can bring longevity but also tests and restrictions",
            "outer_planets": "Neptune and Pluto can reveal deep spiritual connection—or
confusion, illusions, and power struggles"
        },
        "house_analysis": "Composite Sun in 7th house = relationship centered around
partnership. Composite Moon in 10th house = public or status-oriented bond"
    }
},
    "key_takeaways": {
        "purpose": "A synastry chart doesn't dictate your fate, but it does provide a map
```

```
of your energetic chemistry with someone else",
  "helps_understand": [
    "Why you feel instantly drawn to someone",
    "Why certain patterns repeat",
    "Whether your relationship meets your core needs"
  ],
  "full_picture": "Combine birth charts, natal charts, house overlays, and composite
chart for complete understanding"
