  {
    "myth": "12th house = cheating",
    "reality": "Lazy interpretation; it's unconscious bonding, projection, and blur
- requires clarity"
  },
  {
    "myth": "Overlays override aspects",
    "reality": "They don't; overlays show where, aspects show how it functions"
  }
],
"house_overlays": {
  "first_house": {
    "theme": "The planet person impacts how the house person sees themselves. Raw
and identity-level. Can feel like love or intrusion. Chemistry is instant, but power
dynamic can flip quickly.",
    "planets": {
      "sun": "House person feels energized and seen. Sun person represents identity
the house person may aspire to or wrestle with. Can lead to admiration, competition, or
sense of being deeply understood.",
      "moon": "House person feels emotionally exposed. Moon person can read them
without words - comforting or overwhelming. House person feels emotionally recognized,
for better or worse.",
      "mercury": "House person finds Mercury person mentally stimulating and easy to
talk to. Feel Mercury person understands their thoughts or helps them articulate.
Enhances mutual understanding and mental synergy.",
      "venus": "House person feels attractive and validated by Venus person's gaze.
May want to impress or feel more beautiful. Creates sweetness and charm, but can lead to
idealization."
```

```
"mars": "House person feels physically charged or provoked. Strong sexual or competitive energy. Can activate confidence but also defensiveness.",
"jupiter": "House person feels expanded and inspired. May see themselves in more generous or optimistic light. Buoyant, supportive overlay that often increases confidence.",
"saturn": "House person feels judged or held to higher standard. May admire maturity but feel exposed in flaws. Can be stabilizing or heavy. Saturn person can feel commitment or be rejecting."
}
},
"second_house": {
  "theme": "Themes of value, security, and possession arise. Planet person can make house person feel worthy or threatened. Focus on money, self-esteem, and emotional ownership.",
  "planets": {
    "sun": "House person sees Sun person as bringing attention to values and resources. May feel challenged to clarify what matters. Sun person can help grow materially and feel more secure and worthy.",
    "moon": "House person feels emotionally attached to Moon person's presence and comfort. Desire to build emotional and material security together. Can create dependency or deep emotional investment in stability.",
    "mercury": "House person finds Mercury person practical and useful in navigating financial or self-worth matters. Feel mentally focused around them. Shared dialogue around values, spending, resource-building.",
    "venus": "House person finds Venus person physically and emotionally comforting. Feel more sensual, safe, and materially generous. Signature of shared pleasures, beauty, and luxurious habits.",
    "mars": "House person may feel driven to protect or acquire possessions. Can be tension over values or financial priorities. Mars person pushes house person to take action on self-worth.",
    "jupiter": "House person feels uplifted and lucky. Brings generosity, financial growth, or philosophical alignment on values. Strong desire to build abundance together.",
    "saturn": "House person may feel restricted or pressured to mature financially. Brings structure, but also fear of not being/having enough. If respected, creates long-term financial stability and disciplined growth."

},
"third_house": {
  "theme": "Connection through words and thought. Planet person influences how house person speaks, learns, and listens. Chemistry is mental, flirty, sometimes restless or superficial.",
  "planets": {
    "sun": "House person feels mentally lit up. Sun person activates communication style, curiosity, and voice. Encourages house person to express thoughts more boldly.",
    "moon": "House person feels emotionally attuned to how Moon person speaks and
```

```
processes. Non-verbal understanding and strong emotional rhythm in everyday
conversations. May evoke childhood memories or familiar communication patterns.",
    "mercury": "House person feels mentally seen and intellectually stimulated.
Conversations easy, rapid, and frequent. Mental compatibility and shared humor or
wordplay.",
    "venus": "House person experiences Venus person as pleasant, poetic, or
diplomatically skilled. May admire taste in words, writing, music, or ideas. Soft,
harmonious flow in everyday exchanges and affectionate communication.",
    "mars": "House person finds Mars person direct, provocative, or energizing in
conversation. Can lead to stimulating debates or verbal conflict. Awakens assertiveness
or mental confidence, sometimes through tension.",
    "jupiter": "House person feels mentally expansive. May feel Jupiter person
teaches them or opens mind to broader perspectives. Supports uplifting communication and
intellectual optimism.",
    "saturn": "House person may feel cautious or restricted in communication.
Pressure to be precise, mature, or more serious in thinking. Saturn person can help
develop structure and discipline in learning or writing."
  },
  "fourth_house": {
    "theme": "Deep territory. Planet person enters house person's emotional
basement. Comfort and familiarity can heal or haunt. Unconscious childhood dynamics may
resurface.",
    "planets": {
      "sun": "House person feels Sun person touches something deeply private.
Emotional pull that feels both warm and unsettling, like being seen inside childhood
home. Sun person brings life to inner world and may challenge emotional safety.",
      "moon": "House person feels deeply comforted and emotionally safe. Can feel
like coming home, stirring memories of family, roots, and attachment. Potential for
healing or re-triggering childhood patterns.",
      "mercury": "House person feels Mercury person understands their inner life and
private thoughts. Can talk about things they never voice to others. Safe space for deep
conversations about family, memory, and emotional truth.",
      "venus": "House person feels emotionally soothed and nurtured. Desire to nest,
create home together, or share quiet, intimate moments. Venus person beautifies internal
world, bringing peace and emotional safety.",
      "mars": "House person may feel emotionally provoked or stirred up. Can be
tension or passion rooted in family dynamics and early conditioning. Brings unresolved
anger or desire to surface, linked to past.",
      "jupiter": "House person feels emotionally and spiritually expanded. Desire to
create warm, generous home or family together. Brings healing, laughter, and hope to
private world.",
      "saturn": "House person may feel emotionally blocked or exposed. Long-term
commitment potential but requires emotional labor. Often represents fear of abandonment,
stability, or emotional repression."
    }
  }

```

```
    },
    "fifth_house": {
      "theme": "Sexy, fun, and ego-activating. Planet person stirs desire, creativity,
and romantic projection. Attraction is easy. Drama is likely. Expect sparks and
applause.",
      "planets": {
        "sun": "House person feels creatively and romantically awakened. Sense of fun,
flirtation, and lightheartedness brings them out of emotional stagnation. Sun person
shines in world of passion, self-expression, and joy.",
        "moon": "House person feels emotionally playful and expressive. Childlike
chemistry that can feel emotionally liberating and overwhelming. Evokes desire to love
freely, but may touch fears of emotional vulnerability in romance.",
        "mercury": "House person finds Mercury person mentally stimulating and witty.
Conversations feel flirtatious, creative, or performative. Inspires play, storytelling,
and shared joy in language or humor.",
        "venus": "House person sees Venus person as muse or romantic ideal. Attraction
tends to be mutual and strong, with emphasis on beauty, pleasure, and charm. Desire for
shared creativity, sensuality, and fun.",
        "mars": "House person feels intense sexual and creative spark. Stirs desire,
competition, and passion—sometimes dramatically. Brings excitement but can provoke ego
clashes if both seek spotlight.",
        "jupiter": "House person feels joyfully expanded. Enhances confidence,
romance, and shared creative vision. May feel anything is possible and fun becomes
spiritual practice.",
        "saturn": "House person may feel blocked or criticized when trying to express
joy. Hesitation around romantic risk, vulnerability, or spontaneous pleasure. If both
mature, can create loyal love and disciplined creativity."
      }
    },
    "sixth_house": {
      "theme": "Easily overlooked but often karmic. Planet person gets under house
person's skin through daily life. Risks imbalance, especially if one person starts over-
giving or over-controlling.",
      "planets": {
        "sun": "House person feels Sun person brings purpose or structure to everyday
life. Can be admiration or irritation if house person resists authority. Becomes part of
daily rhythm, health, and service patterns.",
        "moon": "House person feels emotionally attuned in practical, everyday ways.
Caretaking dynamic may feel nurturing or burdensome. Awakens emotional patterns tied to
work, health, or duty.",
        "mercury": "House person feels mentally engaged in daily routines. Shared
discussions around health, productivity, or personal improvement. Can help become more
efficient or obsessive.",
        "venus": "House person feels more pleasure or harmony in routines. Small acts
of service, affection, or helpfulness create intimacy. Fosters practical devotion
through shared work or healing goals. Can reveal imbalances in give and take - planet
```

person gives, house person receives.",

"mars": "House person feels energized or challenged in daily responsibilities. May be conflict around control, effort, or lifestyle habits. Brings motivation to improve health or work ethic, but power struggles may emerge.",

"jupiter": "House person feels more optimistic and generous in daily life. Can inspire new wellness routines, better habits, or more forgiving attitude toward imperfection. May focus on service, mentorship, or practical growth.",

"saturn": "House person may feel pressure to be more disciplined or responsible. Highlights themes of duty, sacrifice, and limitation in daily life. Can bring lasting support or trigger anxiety about never being good enough."

}

},

"seventh\_house": {

"theme": "Classic partnership energy. Planet person embodies house person's ideal, or their unhealed projections. Deep resonance or serious friction. Feels fated, for better or worse.",

"planets": {

"sun": "House person sees Sun person as ideal partner or someone embodying qualities they seek. Magnetic pull, with Sun person shining light on unconscious projections about love and union. Can feel fated, but may stir fear of losing identity.",

"moon": "House person feels emotionally drawn as source of comfort and understanding. Brings desire for closeness, safety, and emotional resonance. Can awaken dependency patterns or mirror emotional habits in romantic bonds.",

"mercury": "House person sees Mercury person as thoughtful, communicative partner. Feel intellectually matched or feel relationship style is being examined/verbalized. Enhances clarity in relational dynamics, but can lead to overanalyzing.",

"venus": "House person feels Venus person embodies ideal of love, beauty, and partnership. Natural flow of affection, appreciation, and romantic compatibility. Supports deep harmony and strong mutual attraction.",

"mars": "House person feels magnetized but may also feel provoked. Activates desire but can stir power struggles or resentment when needs clash. Intense chemistry but may challenge peace in close partnership.",

"jupiter": "House person feels optimistic, hopeful, and spiritually aligned in relationship. Feel supported in growth and expansion through partnership. Brings generosity and joy, though can inflate expectations or avoid conflict.",

"saturn": "House person feels serious, binding energy with long-term potential. May have fears of commitment, rejection, or not being enough. If both emotionally mature, supports loyal, structured, and lasting relationship."

}

},

"eighth\_house": {

"theme": "Intense, psychological, and magnetizing. Planet person taps into house person's wounds, fears, and obsessions. Deep bonding or mutual destruction. Trust is the key battleground.",

"planets": {

"sun": "House person feels exposed and magnetized in ways that challenge control. Awakens fears, desires, and psychological transformation. Sun person brings light to shadows, forcing deep inner reckoning.",

"moon": "House person feels deeply emotionally affected in unexplainable ways. Brings emotional entanglement, vulnerability, and shared psychic undercurrents. Can create healing intimacy or emotional volatility.",

"mercury": "House person feels Mercury person accesses inner fears, secrets, and mental obsessions. Conversations may become confessional, intense, or psychologically probing. Promotes deep intellectual intimacy, but can feel invasive.",

"venus": "House person experiences obsessive attraction and longing. May have fears of betrayal, loss, or dependency. Intensifies pleasure and attachment, often merging love with control or surrender.",

"mars": "House person feels raw, intense sexual and emotional chemistry. Brings primal attraction, but also power struggles and emotional volatility. Mars person penetrates defenses and activates transformation through desire or conflict.",

"jupiter": "House person feels spiritually or psychologically expanded. Can bring deep healing, financial generosity, or shared metaphysical exploration. May explore taboo topics, intimacy, or mutual rebirth.",

"saturn": "House person feels vulnerable, controlled, or tested. Awakens buried fears about intimacy, trust, and dependency. Over time, can lead to profound bonding through mutual emotional labor and slow, committed healing."

}

},

"ninth\_house": {

"theme": "Expansive and inspiring. Planet person shifts house person's beliefs, worldviews, and life path. Chemistry is spiritual or intellectual. Sometimes long-distance or culturally layered.",

"planets": {

"sun": "House person feels intellectually and spiritually expanded. Brings curiosity, inspiration, and desire to grow through new beliefs or experiences. Sun person challenges worldview and may act as guide or disruptor of belief system.",

"moon": "House person feels emotionally safe exploring philosophical or spiritual ideas. Encourages open-mindedness, but can trigger emotional conflict if core beliefs clash. Evokes emotional freedom or wanderlust.",

"mercury": "House person sees Mercury person as mentally stimulating and expansive. Brings philosophical conversations, shared curiosity, and intellectual adventure. Inspires thinking beyond limitations and challenging mental habits.",

"venus": "House person feels drawn to Venus person's values, culture, or aesthetics. Romantic idealization tied to travel, education, or spiritual beliefs. Can create long-distance attraction or love that expands horizons.",

"mars": "House person feels energized and motivated by Mars person's beliefs or ambition. Can bring passionate debates or urge to pursue adventure together. Mars person pushes to take bold risks and explore new territories.",

"jupiter": "House person feels spiritually uplifted and guided. Brings joy, wisdom, and mutual growth through shared ideals and goals. May pursue education, travel,

or meaning-making as a couple.",

"saturn": "House person may feel judged or limited by Saturn person's worldview or beliefs. Tests spiritual or philosophical compatibility over time. If respected, Saturn person helps ground ideals and commit to long-term growth."

}

},

"tenth\_house": {

"theme": "Public and performance-based. Planet person affects how house person sees success, legacy, and ambition. Can feel like admiration, pressure, or competition. Bond is rarely private - speaks of power-couple dynamics or dynamics that enhance social status.",

"planets": {

"sun": "House person sees Sun person as important, powerful, or public-facing. May be admiration, envy, or feeling that Sun person highlights ambitions. Can bring status or pressure depending on how house person views success.",

"moon": "House person feels emotionally affected by Moon person's opinions of their goals or reputation. Can create nurturing professional bond or emotional pressure around performance. May unconsciously reflect parental or authority dynamics.",

"mercury": "House person feels Mercury person understands or critiques their life direction. Brings strategic conversations around goals, career, and public image. May become voice of reason or challenge in pursuit of success.",

"venus": "House person feels admired and supported in career or public role. Desire to be seen together, build something beautiful, or enhance each other's image. Can bring professional harmony or romantic partnership with shared ambition.",

"mars": "House person feels challenged or activated in area of goals and status. May be admiration of drive or tension around control and direction. Mars person motivates but may trigger power struggles around success.",

"jupiter": "House person feels encouraged and uplifted by Jupiter person's belief in potential. Brings expansion in career, reputation, and leadership through mutual support. Helps dream bigger and move toward long-term vision.",

"saturn": "House person feels serious pressure or accountability. Brings long-term potential but demands maturity and responsibility in public life. May act as mentor, critic, or stabilizer in ambitions."

}

},

"eleventh\_house": {

"theme": "Friendly, liberating, and future-facing. Planet person activates house person's dreams, social goals, and desire to belong. Romantic spark may be slower to ignite but built on real affinity.",

"planets": {

"sun": "House person feels inspired and energized by Sun person's ideals and vision. Creates strong friendship foundation with mutual respect for individuality and freedom. Sun person may become central in social life or larger life goals.",

"moon": "House person feels emotionally connected through shared ideals and dreams. Fosters deep friendship and intuitive emotional understanding of hopes. Moon person nurtures desire to belong to something bigger.",

"mercury": "House person finds Mercury person intellectually aligned with long-term goals. Conversations revolve around dreams, social ideas, and collective change. Supports innovation, brainstorming, and mutual encouragement around big visions.",

"venus": "House person feels affection that blends romance and friendship. Shared aesthetic or social pleasure, with harmony in group settings or community roles. Brings ease, connection, and love that values freedom and equality.",

"mars": "House person feels motivated or occasionally challenged by Mars person's ideals and assertiveness. May activate shared social activism or competition within friend group. Mars person pushes to act on dreams or refine vision.",

"jupiter": "House person feels blessed, supported, and expanded by Jupiter person's optimism. Fosters faith in big dreams and can bring shared social success or teaching roles. May work to uplift others or grow community built on shared values.",

"saturn": "House person may feel limited or tested in relation to dreams or social roles. Asks whether connection can endure pressure of reality, time, and public perception. If respected, can lead to shared long-term goals and building something meaningful."

}

},

"twelfth\_house": {

"theme": "Mysterious, karmic, and emotionally slippery. Planet person touches parts of house person that are hidden - even from themselves. Bond can feel dreamlike or destabilizing. Can involve illusions and secrets.",

"planets": {

"sun": "House person feels unconscious, often spiritual pull. Mystery here - Sun person activates parts of psyche house person may not fully understand. Can lead to soul-deep intimacy or projection, depending on self-awareness.",

"moon": "House person feels emotionally stirred in hidden, vulnerable ways. Awakens buried feelings, childhood wounds, or spiritual longings. Moon person may feel both comforting and confusing, like a dream that never quite ends.",

"mercury": "House person feels Mercury person accesses hidden thoughts or speaks in symbols they almost recognize. Brings psychic style of communication that is deeply intuitive or prone to misunderstanding. May help voice things they never had words for.",

"venus": "House person feels hidden tenderness or unspoken love. Can feel like secret romance, even when it's out in the open. Often karmic quality that evokes longing, sacrifice, or spiritual love.",

"mars": "House person may feel both drawn to and disturbed by Mars person's desire or assertiveness. Can trigger unconscious fears, suppressed anger, or deep sexual longing. When conscious, brings healing through surrender; when unconscious, may lead to confusion or sabotage.",

"jupiter": "House person feels spiritually expanded and quietly uplifted. Feeling of divine timing, mutual compassion, or growth through inner worlds. Supports forgiveness, imagination, and faith in something bigger than logic.",

"saturn": "House person may feel karmically bound, as if unfinished business has returned. Often brings fear of abandonment, spiritual tests, or silent endurance. If

```
worked through consciously, offers profound emotional depth and shared spiritual
resilience."
